#### OVERVIEW

Whether you're looking for training for you or your horse, or both, Lisa can do it! She offers lessons, training, breaking, finishing and help with behaviorally challenged horses. You're more than welcome to haul-in. School horses, leasing and sales are available. Lisa has been working with horses and riders for over 15 years! Specializing in youth and amateur riders, Lisa individualizes her program to help you achieve your goals. Whether you are looking to just spend some time in the saddle, or want to show competitively, Lisa can help. Growing up with horses gave Lisa the ability to understand horses and riders, and how they work together. Lisa is an accomplished trainer that has worked with a variety of horses and riders. If you feel like this is a program that can help you achieve your goals, contact Lisa!
