OVERVIEW

"Trail Rides" are for you to enjoy... Opportunity to get out of your ordinary routine. Have fun, go at your comfort skill level, and learn some horsemanship methods along the way. I am very open to going at the pace you feel most comfortable in. If you request to jog, lope, or gallop... I will say, "Yes!" And, of course I will be right by you instructing on how to sit in that saddle to where you feel safe.Horse Rental
