OVERVIEW

My office focuses on issues of land and horses. Dispute resolution short of litigation is always the first track to pursue. I am well aware of the costs of litigation, and work hard to reach reasonable settlements. Equine Legal Issues are numerous - contracts for purchase and sale, lease agreements, fraudulent transactions, injuries to horses and riders, waiver clauses, scope of insurance coverage. A horse owner for more than 40 years, I have the real life experience to identify key issues. Attorney Equine
