OVERVIEW

Creative imagery and a horse's delightful commentary create a captivating coffee table book for ages 8-12 that offers a heartwarming view of caring for animals. The Artful Dodger—a rescued, orphan Paint horse—shares his perspective of his world, revealing how his peace, safety and trust depend on the attention and empathy of his caretakers. From plotting his escape to describing his idea of heaven, Dodger's cheeky attitude, humor, and soft heart, are all part of his allure. He's a one-of-a-kind spirit wrapped in breathtaking style and he has a tale to tell! <https://bit.ly/TheArtfulDodger>
