OVERVIEW

Since 1988, Microchip ID Systems has been a leader in permanent pet and animal identification. 'Microchip ID' manufactures, services, sells and guarantees its entire line of products. One of the largest and most respected suppliers in the United States, Microchip ID also operates the Official Microchip Registration Center servicing thousands of pet owners, animal care givers, veterinarians, shelters, rescue organizations and veterinarians. See our website and Facebook page for additional details. Freeze Branding & I.D. Marking > Equine Identification Marking
