OVERVIEW

Misty River Ranch is a private working ranch and open air event center. The Ranch is nestled in the valley along side the Nooksack River in the Mount Baker foothills.You can walk through a landscaped woodsy setting among two hundred foot Cedars, Hemlocks, and Douglas Fir. The Beauty of this property is what compelled us to make our home. We hope you find it just as enchanting.See our website and Facebook page for additional details and photos.Wedding|Group Venues|Services
