"This was the first of 3 items I ordered between Dec 4th and Dec16th - Cathie made sure each pattern and color selection was acceptable before the orders were complete and I received all orders prior to Christmas - Great to work with, more than reasonable pricing and an AWESOME product. My daughter and her friends received numerous compliments at the NBHA this weekend." - Cindy C. "The over and under I ordered is perfect. The pattern is beautiful and the workmanship is great. The order was completed and shipped quickly. Thank you also for the extra goody for Christmas. Very happy with my purchase." - Marnie "Awesome bracelet for my daughter! She got to pick out her own colored leather and beads! Cathie made..."
