#### Location

[17002 Pacific Avenue South  
Spanaway, Washington](#)

#### OVERVIEW

The owner is very friendly and considers Sunday an "optional day". Technically they are closed, however he gets bored so often he will be there around noonish ("call first" as he says). Prices are resonable and they have some yummy human food items too. (barbeque sauces, salsas, etc) We bought a bag of microwave spicy popcorn one time and it was really tasty!!Feed|Farm Supplies>Feed Manufactures
