OVERVIEW

NWHSAR is a volunteer, non-profit 501 (C)(3) group. Our operations are authorized by the King Co Office of Emergency Management, a division of KCSO. Our search and rescue members carry out a tradition of helping others by dedicating time, information, skills, equipment, and money to the relief of suffering, and to the humanitarian cause of saving lives. Our members are trained, willing and able to go out at any time in any type of weather (as long as our own safety is not compromised) to search for lost or missing persons, and to aid and assist them in any way needed including emergency medical care. If required, we are trained and equipped to physically transport them to safety either by litter or on horseback. View our website and Facebook page for information about us.
