OVERVIEW

Northwest Reiki Center offers Reiki Classes, Reiki Sessions, and Reiki Master Training to the greater Seattle, WA community. More and more people are embracing Reiki as part of their personal, ongoing self-care program. Reiki balances, energizes and harmonizes all systems of the body and helps heal a wide array of health problems. Reiki blends easily with other forms of healing, and is a safe, effective way to:

- reduce stress and promote relaxation
- relieve pain
- increase energy and vitality
- strengthen the immune system
- clear and activate the body's energy centers

Just as with the humans in our lives, we can give the gift of Reiki to our pets for general health benefits and at times when they have special healing needs. Never experienced Reiki?... Free Community Reiki Circle Our Community Reiki Circle is open to all. We meet on the 2nd Sunday every month in Woodinville, Wa. Alternative|Integrative Medicine>Classes|Schools|Workshops
