Graham, Washington](#)

OVERVIEW

The NW Small Equine Club is made up of young people to seniors who have a mutual love of the small equine. Included are Miniature Horses, Donkeys, Mules and Ponies up to 48". Formed in the spring of 2008, our club continues to grow in membership and events! We participate in parades, community events, walks on the Orting trail, host small shows with both in hand and driving classes and clinics on various equine related topics. We love to teach and learn about mini's. Come on in and check us out! Club|Group|Org. - Breeds
