#### OVERVIEW

Our Mission is Horses & Humanity: We provide rescue, rehabilitation and dignity to abandoned or neglected horses with the hope of eventually placing them in suitable adoptive or permanent foster homes. We also offer equine counseling and education to horse owners and other members of our community who could benefit from our services. We are a "no Kill" facility with the exception of horses that are an extreme danger to other horses and/or people, terminally ill or injured, or at an age where reasonable measures fail to sustain the horse's health. We are a 501c (3) horse rescue, rehabilitation and placement organization.
