OVERVIEW

Founded in 1971, the Oregon Dressage Society, an affiliate of the United States Dressage Federation, exists to educate, promote and inspire its members and the general public through programs, publications and competitions, in a way that enhances the image of Dressage and promotes the welfare of the horse. We are a membership based organization that thrives on the ideas and efforts of our volunteers. Many of the events we host are open to non-members. Every member of ODS is automatically joined to the United States Dressage Federation. Membership year is November 1 - October 31. Please visit our website or call our office for details.
