#### OVERVIEW

Located about an hour north of Seattle, WA, Pacific Moon Equestrian Center is a little slice of heaven on earth. We offer the finest quality feeds, facilities & services. Our equine friends are under the constant supervision of the onsite owner, Karen Moore and her highly trained staff. She bought Pacific Moon in 1998 to ensure the proper care and well being of her horses. She has trained her staff to manage each horse and owner with the same care and attention. About half of our resident horses are active dressage or pleasure horses, the other half are either retired or growing up. Visitors are always welcome. Please contact us to set up an appointment for a farm tour – We would love to meet you!
