#### OVERVIEW

The Pegasus Project Foundation provides quality therapeutic and equine related activities to people living with special physical and emotional needs to improve their health and well-being. Nestled in the foothills of the Washington Cascades, Pegasus Project provides equine assisted activities and therapies to people living with special needs in the Yakima Valley Community. Pegasus operates year-round at the beautiful, twenty-six acre Tumbleweed Ranch. See our website and Facebook page for more information. \*Equine Therapy Programs>Equine Facilitated Learning|Equine Therapy Programs>Therapeutic Riding
