OVERVIEW

The surface on which your horses stand and run makes a big difference, not just in terms of how they perform, but also in terms of minimizing leg injuries and reducing leg stress. With that in mind, Perfect Rubber Mulch is proud to offer a durable, low-maintenance, safe and sustainable solution — rubber arena footing. From a rubber stall mat to equestrian rubber chippings, our 100% recycled rubber mulch provides a smart, cost-effective surface for the horses at your site. Our rubber horse arena footing is the perfect long-lasting solution for filling horse arenas and pens. Excellent for indoor or outdoor arenas, our rubber arena footing is easy on horses' joints, reduces dust and won't freeze in winter. Buying bulk equestrian footing saves you money, and our long-lasting product won't need replacing. Whether you're looking for outdoor arena footing or indoor arena footing, our high-quality rubber footing for horse arenas is...
