#### OVERVIEW

Every Rank Bridle is hand-tied with durable, stronger-than-leather materials, and comes with a 100% satisfaction guarantee. It is fully adjustable to fit horses as small as the Arabian Pony to a Draft Cross. Each bridle's polypropylene ropes are threaded through cable thimbles which will prevent premature wear and allow the bridle to open with ease. They come in a variety of colors, allowing you to customize your bridle to your specific taste. Tack Specialty|Misc.
