OVERVIEW

First time on the market in 47 years, this lovingly cared for 10 acre estate is truly one of a kind. Located just 8 minutes to town, this picturesque property offers a 6 bedroom Craftsmen home, a 1700 sq. ft. ADU that lives like a second home, and a one bedroom cottage. For those looking for multigenerational living or rental income, it is a must see. The primary 3,051 sq. ft. home has 2 bedrooms on the main level and 4 upstairs allowing for both guests and home offices. Beautiful hardwood floors throughout, a fireplace and a full basement. The back 5 acres, which are included in sale, has a separate parcel # allowing for another home or resale. The large barn w/fantastic loft has two stalls with room for 6 more along with huge pastures for those looking for equestrian property. This parcel has an ingress/egress driveway and Deer Creek...
