OVERVIEW

Looking for the perfect property for horses, RVs, hobbies, or simply room to breathe? This exceptional 5-acre retreat offers the privacy of wooded living with the convenience of modern amenities. The well-cared-for 4 bedroom, 3 bath home provides comfortable space for everyday living, while the impressive 1,700 sq. ft. shop is ideal for equestrian use, RV storage, hobby work, or all your recreational toys. The property is fenced and cross-fenced, has hay storage, and no HOA. Nestled near Newman Lake, this property delivers a peaceful escape with plenty of usable land for animals, projects, and outdoor enjoyment. The setting feels like your own private getaway, yet remains close to the services you need. With thoughtful upkeep and versatile features, this is a rare opportunity to secure a property that supports your lifestyle, your animals, and your passions. This one is truly worth seeing.
