OVERVIEW

This spectacular 72-acre equestrian property features a remodeled 5,200-square-foot home with stunning views you'll never want to leave! Every detail of the renovation was carefully considered, ensuring comfort throughout—from spacious entertaining areas to intimate spaces warmed by four stone fireplaces. Nearly every room offers breathtaking vistas, making your time here truly memorable. Guests are welcomed at the entrance by impressive stone pillars and an iron gate, leading down a tree-lined driveway to an illuminated turnaround and the home's striking front facade. Inside, visitors pass a grand living room with a fireplace and a nearly thirty-foot wall of glass doors that blend indoor and outdoor spaces seamlessly. The dining room, complete with its own cozy fireplace, leads into a large kitchen and family room. Designed for entertaining, the kitchen boasts a farmhouse sink, extensive floor-to-ceiling cabinetry, and a massive island with seating for four. Upstairs, the master suite is impressive, featuring…
