OVERVIEW

Looking for a horse property, a home for your toys or peace and a quiet cul de sac. This charming home can provide all 3 at once. You must check out the barn for a state of the art horse facility. As an added bonus it has a Parker address that allows the owner to make use of Parker City facilities. Close to both Parker and Elizabeth with numerous shopping and dining locations. Recent upgrades include a 2023 roof and Anderson Windows that have a transferable warranty. Heated waterers in the barn with a separate tack room plus the pasture is equipped with an electric fence. The walkout basement has a separate TV room and another room with a bar that is begging for a pool table. Two electric gates into the property. This is an equestrian area with numerous facilities nearby. Add in fresh paint (inside and out) and…
