OVERVIEW

Enter through a private gate serving just four homes to Fox Island Farm & Gardens—an enchanting, meticulously maintained 5-acre estate. Be greeted by the soothing sounds of a water feature, surrounded by beautifully curated gardens changing with the seasons. Stroll through a fully fenced edible garden, complete with established berries, 7 fruit-bearing trees, cutting flowers, and raised beds ready for harvest. For horse enthusiasts the property is complete with a user-friendly 3-stall Noble Shelter stable. The acreage features pastures with electric rope, cross fencing, multiple gates, and an outdoor USDF-recommended footing riding arena (small dressage 120' x60'). Cape Cod-inspired, this custom home promotes casual living and effortless entertaining with its open plan. Highlights include 9-foot high ceilings, numerous windows for light and views, expansive trim, accent round windows, and a coffered kitchen ceiling—all anchored by a natural river rock fireplace. The sunroom, framed by windows, offers a quiet retreat just…
