OVERVIEW

Presco Farms, first time available in 30 years, this exceptional equestrian estate sits on nearly 10 pristine acres in an area of distinguished properties. Comprised of three tax parcels, the setting offers privacy and beauty, featuring a paved, gated, tree-lined drive and four-rail fenced pastures. The thoughtfully updated single-level home showcases a spacious great room design, an open kitchen, four bedrooms, and two fireplaces. Enjoy year-round entertaining with a covered outdoor living area complete with a full kitchen and slab countertops. The fully fenced backyard is perfect for relaxation, offering a hot tub and firepit. Additional features include two covered parking spaces and an expansive four-bay shop with a car lift and a full upper-level storage area. Equestrian amenities abound with a seven-stall barn, outdoor arena, paddocks, and multiple fenced pastures—providing ample space to ride, roam, and enjoy this truly one-of-a-kind estate.
