OVERVIEW

UNDER CONTRACT: Private 13-acre country estate with mountain views, open pastures, beautiful grounds, solar, and private well. The original cottage home addition completed in 2018 features a dramatic vaulted living room with fireplace, there are formal and informal dining spaces, flex room, and spacious primary suite with sitting area, oversized walk-in closet, and copper tub. A rare find detached vintage cottage, with own address offers 2 beds, 1 bath and is approximately 675 SF. Nostalgic dairy barn, loaded with character wants to be reimagined! You will also find an additional 9 stall metal and wood barn with a 60 x 120 covered arena with shaving /tractor storage. A rare acreage property with equestrian amenities, privacy, room to roam, and endless opportunity to make it your own.
