OVERVIEW

Renegade Hoof Boots: Premium Hoof Protection for Barefoot Horses Discover top-tier hoof protection at RenegadeHoofBoots.com, the go-to source for high-performance hoof boots designed for barefoot horses. Proudly made in the USA, Renegade® Hoof Boots, including the innovative Viper® and Classic models, offer unmatched durability, traction, and comfort for trail riding, endurance, and equine sports. Engineered by Kirt Lander, these patented boots feature a pivoting heel captivator for natural hoof movement, preventing rubbing or twisting even on rugged terrain. With a 90-day workmanship warranty, adjustable sizing, and vibrant colors like Atomic Green and Arizona Copper, Renegade ensures a secure fit for every horse. Shop now for hoof boots that last—some riders report 10+ years or 600+ miles of use! Explore accessories, sizing guides, and rider reviews at RenegadeHoofBoots.com to elevate your horse's performance and comfort. Farrier|Trimmer Supplies|Products
