OVERVIEW

Rocky Creek Hill offers a unique line of treeless and bitless tack. Our English and Western treeless saddles have an adjustable gullet system using velcro panels underneath the saddles. We also have flex-tree jumping and Flex-Frame dressage saddles. Our bitless bridles with colourful beautiful bling will be sure to impress your friends! (and your horse's friends) Our phone number is toll free, call anytime! We also have lots of photos, information, and feedback on our Facebook page: Rocky Creek Hill Saddles
