#### **OVERVIEW**

Our 25 acre ranch is perfect for a gorgeous wedding with pluses such as an enormous barn, 12,000 sqft, pond with ducks and geese gently swimming, a stunning foot bridge, a meandering creek, large deck overlooking the pond, beautiful wooded sections on the property, a view of capital peak, horses in the background if desired, and plenty of parking. If you've always imagined a wedding on horseback (your horses or ours), this is the perfect place. [Wedding|Group Venues|Services](#)
