#### OVERVIEW

Based in Altona, Manitoba, Silver Stream Shelters offers hoop barn installation and replacement fabric for any building. We manufacture a full line of 30'-65' clear span structures for agricultural and various applications including storage for cattle, machinery, and hay. Structures can be up after 3-4 weeks of manufacture time and 2-3 days for set up time. Choose from a range of colors including silver, blue, red, white, green, tan. See our website for more information. [Arena & Related - Const|Repair|Acc.>Arena Const|Repair|Barn|Shop>Barn Construction & Repair](#)
