OVERVIEW

Riding Horses Made Easy and Fun. Teaching you and your horse in a way that is simple to understand and learn, it's as simple as driving a car or riding a bike. Horse's are taken along at their pace, they will not be pushed to do something they are not ready for. They will not be abused! My philosophy is I would rather underdo a horse than overdo a horse. Far to many times I see trainers work and work horses to frustration and confusion, that causes a horse to stop trying for you I like to leave the try and want to in them. When you allow a horse or rider to get frustrated or confused you lose ground. I would rather gain a little ground than lose any. Weekly lessons are available at no additional cost. I prefer that you learn with your horse, it'll make you a...
