Snohomish Conservation District - Livestock Disposal Information

 The logo for Snohomish Conservation District. At the top, the word "SNOHOMISH" is written in a large, black, sans-serif font. Below it is a rectangular illustration of a natural landscape: a green field with several black and white cows grazing, a blue lake, and blue mountains in the background. A large, black and white bald eagle is shown in flight, its wings spread wide, overlapping the right side of the landscape. At the bottom, the words "CONSERVATION DISTRICT" are written in a smaller, black, sans-serif font.	<p>Connect snohomishcd.org/sound-far... outreach@snohomishcd.org 425-335-5634</p> <p>Location 528 91st Avenue Northeast Lake Stevens, Washington</p>

OVERVIEW

Snohomish County code requires that the carcass of a dead animal be properly disposed of within 24 hours of death. If you choose to bury an animal on your farm, it is important to know the applicable state and county regulations. See the website link below to read more.
