OVERVIEW

Local Pickup and Delivery Available • Serving Commercial Customers and the General Public
Wood Shavings and Sawdust Whether you're maintaining livestock bedding or crafting eco-friendly solutions, our wood shavings and sawdust are top-notch. We ensure consistent quality and cleanliness, making them ideal for animal bedding, composting, or industrial use. Available in bulk, our products are designed to offer maximum efficiency and value. Wood Chips Our wood chips are versatile for landscaping, erosion control, or decorative ground cover. Starkenburg Shavings supplies wood chips that enhance the aesthetic appeal of your property and provide excellent mulch for garden beds, helping retain moisture and suppress weeds. Beauty Bark Transform your outdoor spaces with our premium beauty bark. Perfect for gardens, pathways, and flower beds, beauty bark adds a polished, natural look while protecting your soil and reducing maintenance. Available in various shades, it's ideal for residential and commercial landscaping projects. Hog Fuel Our hog fuel is a...
