OVERVIEW

Sterling Essentials is focused on developing and providing products that elevate the day-to-day equestrian experience. Our products are inspired by our horses and developed with their well-being in mind. Because you care just as deeply about your horse as we do about ours, we ensure that our products are not only effective, but are also gentle on our horses and actually liked by our horses. Sterling Essentials offers scented natural leather cleaners and conditioners that provide gentle, effective care for your leather. Our products contain a special blend of natural food-grade products, as well as therapeutic grade essential oils. This ensures that your leather is nourished and protected while still being gentle on you and on your horse. Our conditioner provides a natural barrier to protect against water damage, mold, and mildew, keeping your leather in mint condition year round. Additionally, our cleaner is specially formulated to match the pH…
