OVERVIEW

We offer CPR and First Aid Training with an Equestrian Twist: a fun, high-quality class for riders, trainers, barn staff and parents. We want you to enjoy horses as safely as possible while being prepared to respond when someone has an injury or accident. Our instructors have experience with horses and equestrian sports, and use a nationally recognized certification curriculum. We include information, tips and discussion specific to work with horses. Contact us now to schedule a class![Clinicians](#)[Emergency Services](#)[Resources](#)[Instruction](#)[Riding-Training Tools](#)[Aids>Rider](#)[Rider Fitness & Related](#)
