OVERVIEW

Nestled in the beautiful Snohomish River Valley, just outside historic downtown Snohomish, with stunning views of the Cascade Mountains. Our wedding and events venue offers rustic simplicity, and features a classic red barn, wide-open spaces and plenty of country charm...the perfect place to gather with friends and family. Our special occasion canopy seats up to 150 at our own wooden tables; we have a flower garden area that is perfect for ceremonies under the sky. Children welcome!Wedding|Group Venues|Services
