OVERVIEW

Not your ordinary boarding barn! Sunnyslope offers all-inclusive boarding and learning packages based on effective, gentle horsemanship principles. Our goal is to create safe, fun and productive horse- human partnerships. Our facility is newly refurbished offering a calm, friendly, high quality environment dedicated to the comfort of your horse. We have large stables with paddocks and are introducing slow hay feeders. Our feed program includes eastern and local hays and a basic low starch and low sugar pellet feed. Boarders can enjoy our indoor and outdoor arenas, round pen and horse play area. We have a full time knowledgeable instructor on-site who has worked and trained extensively in England and the US with top horsemanship instructors and also a roster of clinicians that offer regular horsemanship clinics and lessons here at Sunnyslope. Please contact us to schedule a visit and find a boarding package custom-fit to your needs. We are…
