OVERVIEW

Equipride and Equilix, "all-in-one" vitamin and mineral supplements for horses that support good health / performance. Both products work effectively to help support hooves, hair coat, joint lubricity, feed utilization, circulation and resistance to colicing. Excellent feed efficiency. Little or no grain needed except in the most strenuous work loads. Safe for metabolic / insulin resistant horses. Prices range from \$60 pail of 25# Equipride to \$119 Equilix lick that is 125#. www.sweetpro for info. [Feed|Farm Supplies|Supplements](#)
