OVERVIEW

We all have that one horse we never wished to part with, the one we've bonded with like no other. We are a Mother Daughter team creating horsehair bracelets, necklaces and key chains. A hobby started to keep a piece of our beloved horses close to us. If you would like something special made custom or from our own stock of hair please don't hesitate to contact us. Look for us on Facebook [Gifts|Jewelry>Horse Hair|Euthanasia & Related>Memorials](#)
