OVERVIEW

Positively Tasking Teens & Placing Oregon Mustangs OUR MISSION: Provide positive life-changing experiences for trainers of all ages through the development of leadership, horsemanship, and teamwork while educating the public about training and adoption of Oregon's wild Mustangs. OUR VISION: By 2024, Teens and Oregon Mustangs will be recognized in the United States as a premier organization that improves the adoptability of Mustangs, develops trainers of all ages, and is critical to the healthy and sustainable management of America's natural resources and preservation of western heritage. OUR VALUES: Trainer Development – Inspire life-long learning and develop confidence, responsibility, consistency and leadership. Diversity – Encourage a variety of training techniques that showcase the Mustang's trainability across various disciplines. Successful Adoption – Strive to maintain our 100% adoption rate and value the hard work it takes to get there. Training Toolbox – Provide ample opportunities and tools for trainers to overcome any…
