OVERVIEW

Built in the 1940's, this historic New England Style Bank Barn offers a unique and elegant backdrop for your wedding, social gathering, anniversary, family reunion, retreat, Corporate function, or other event. The spacious 6,000 square foot interior offers two floors of entertainment area with peek a boo mountain views from the main floor and cupola and a deck overlooking the farm. The surrounding grounds offer picturesque outdoor locations for weddings when the weather permits and many great photo opportunities. Wedding|Group Venues|Services
