OVERVIEW

Charlie Mackesy lives in Brixton, south London. He was born during a very cold snowy winter in Northumberland. He went to Radley College for a little while and then Hexham Queen Elizabeth High School, among others but seemed to prefer ferreting, drawing cartoons and swimming in the River Tyne. Charlie Mackesy offers inspiration and hope in uncertain times in this beautiful book based on his famous quartet of characters. The Boy, the Mole, the Fox, and the Horse explores their unlikely friendship and the poignant, universal lessons they learn together.
