#### **OVERVIEW**

Insurance For Horse Owners By Horseowners At Buck & Affiliates Insurance West, our specialist's are fellow horse owners who have been involved in the horse industry their entire life. As fellow Stable owners, show competitors, club members, and horse lovers our involvement in the horse industry gives us unique insight into the risks you face as a horse owner's, trainer's or facility operator's. We are appointed with the top Equine Insurance companies in the country. Which saves you from ever having to shop around for coverage. We do it all for you! Call one of our friendly specialists today for a free consultation. They will review your coverage to make sure you are covered properly and then shop the various markets to find a more affordable alternative. Our wide service coverage area allows us to be as competitive as possible for your liability, mortality and farm coverage. Insurance
