OVERVIEW

Transform Your Passion for Horses into a Rewarding Career Become the heart-centered equine bodywork practitioner that owners, trainers, and—most importantly—horses rely on. At Equine Natural Movement School, we educate kind, compassionate people in the art and science of equine bodywork, helping horses achieve their full potential. ? Why Choose Us? Comprehensive Curriculum: A three-module course designed to help you succeed, typically completed in about 18 months. Certification: Graduate prepared to take the national Large Animal Massage Therapist (LAMT) offered by NBCAAM and ready to be certified by your state (check your state's requirements) State-Approved Excellence: Our program is licensed by the WA Workforce Training Board and WA Board of Health ? Is This You? Our ideal student is: An experienced horse person, confident in handling horses on the ground. Someone with an open mind, eager to explore new concepts. Interested in bodywork, energy

work, and animal communication. Excited about working and...
