OVERVIEW

Whimsical, custom-painted wine glasses, featuring your favorite four-hoofed friends. Chardon-neigh? Caber-neigh? Just send me a photo of your horse to thehorsesglass@gmail.com and you'll be sipping from a Horse's Glass like no one else's. Be a hit at the next barn party, horse show, or hunt club with your own pony holding your wine for you. See my website and Facebook pages for additional images! On the website see the 'Shop' tab for currently available glasses. See the 'Place an Order' tab for details on custom glasses. Read about our journey in the Equine Chronicle.
