#### OVERVIEW

The Northwest Horse Source is an independently owned and operated print and online magazine for horse owners and enthusiasts of all breeds and disciplines in the Pacific Northwest. Our contemporary editorial columns are predominantly written by experts in the region, covering the care, training, keeping and enjoyment of horses, with an eye to the specific concerns in our region. In print since 1995, we are now a digital magazine serving thousands of viewers each month. American Horse Publications, the premier association for the equine publishing industry, has recognized NWHS for General Excellence at their annual awards program multiple years.
