OVERVIEW

The Yellow Barn has over eighty years of family history and is the perfect setting for your unforgettable wedding experience. Mt. Rainier view. What an absolutely amazing day! The weather was perfect, the mountain was gorgeous, and I got to marry my best friend at the most perfect barn. The owners were just awesome to work with. The Yellow Barn suited us perfectly. We couldn't have found a more fitting venue that matched our character and budget... - JennWedding|Group Venues|Services
