OVERVIEW

Topshelf Training is a small family-like farm to allow one on one training to meet your goal. Horsemanship on and off the ground is the number 1 emphasis to begin your equine dream. Dressage and Jumping are the specialty but all breeds and disciplines are welcome. Lesson horses, camps, parties, and leases are also available. We host annual clinics and attend a variety of shows to always promote learning and advancing your riding and partnership with your horse.~Instructor|Trainer
