OVERVIEW

Traildusters Chapter of Back Country Horsemen of Washington State. Our goal is to protect our backcountry and preserve our rights to use stock for recreation on public lands. In support of these objectives we have two to four trail work parties every year where we cut brush from trail sides, repair foot bridges, haul gravel onto muddy spots with our horses, cut logs out of trials and then have a fun meal together after the work. Every month will find us having two or three group trail rides with a ride leader as guide and organizer. The ride list for each year is on our website Traildusters.org. At our state wide Rendezvous we have a lot of classes on trial riding and camping techniques. See our website for additional information and join us! Our business meetings are held on the first Wednesday of each month at 7:00 pm at The Eagles,…
