OVERVIEW

The True North Silver & Stone story starts in 2016 when Cheryl's Mother started making jewelry as a hobby. She worked from the ground up to create and build her business. To keep up with demand, Preston & Cheryl started to help her with production. Fast forward to 2022, Preston & Cheryl branched off & CCJ North was born. In 2024, after Joyce's battle with cancer we decided to merge shops under True North Silver & Stone. We reside in the great state of Idaho with our daughter, and three dogs. We source all our stones direct from the miner, using only Natural Backed and High-Grade stones treating each piece for what it is; a cherished heirloom that will be passed down for generations.
