Salem, Oregon

OVERVIEW

We provide emergency medical care, treatment, and rehabilitation for all species of injured and/or orphaned wild animals, saving their lives and getting them back home to the wild. Through our helpline, conservation, and outreach programs,we connect people with nature and share innovative techniques that empower and inspire coexistence with wildlife.IMPORTANT: If you have an injured and/or orphaned wild animal in your possession, please bring it to our center immediately. View our website and Facebook page for more details.Volunteer Opportunities|Rescue|Rehab|Welfare>Wildlife
