OVERVIEW

Associated Veterinary Medical Center in Walla Walla, WA is a full service animal hospital. It is our commitment to provide quality veterinary care throughout the life of your companion animal. Our services and facilities are designed to assist in preventive care for young, healthy animals; early detection and treatment of disease as your companion animal ages; and complete medical and surgical care as necessary during his or her lifetime. We understand the special role your animals play in your family and are dedicated to becoming your partner in your companion animals health care. Our goal is to practice the highest quality medicine and surgery with compassion and an emphasis on client education. Our entire healthcare team is committed to providing personal attention to the unique concerns of each individual animal owner.
